Introduction to Crystal and Gemstone Healing

Discover the healing powers of crystals and gemstones and how we can benefit from them. You will learn how to choose the right stones for everyday use and meditation, cleanse and care for crystals, and use crystal wands for basic aura and body clearing. We will also work with Lemurian Seed Crystals to tap into your greatest potential and ancient wisdom. Whether to deepen your healing practice, or to enrich your personal life, crystal healing is accessible to everyone! No previous experience with crystals is required.

Duration: 2 hours

Cost: \$35

Crystal Bowl and Voice Healing Workshop

Experience the power of sound by using your voice as a healing tool in this fun and engaging workshop. Learn simple ways to clear and process your own emotional blockages as they arise. Expand your breath, open your heart, and make sounds from your soul. With the support, energy, and added healing power of crystal bowls, travel deep into your self to access your highest potential through the meditative practice of "toning." This workshop will culminate in a group toning where you will embody the power of creation and ascension as we create a sonic vortex of love to heal ourselves and the planet.
